PROHIBITION HAS MADE STRIDES BY NATIONAL ELECTION

Several States Won; Possibly
One Amendment in Cali-
fornia Will Carry

(Associated Press by Federal Wireless)
CHICAGO, Ill., Nov. 8.—Prohibition has made great strides by yesterday's election.
The manager of the national Prohibition campaign said today that "returns indicate that Michigan, South Dakota, Nebraska and Montana have gone 'dry' and we saved Arkansas from going back into the 'wet' column."
"The election of Simon Bamberger, running as a Democrat-Progressive for governor of Utah, is a factor for us. He favors prohibition and this means prohibition for the state by statute."

Arkansas retained prohibition by a vote of 3 to 1.
In Washington two initiative amendments to let down the bars in this dry state to intoxicating liquors were overwhelmingly defeated. One proposed the manufacture and sale of beer to be delivered to consumers in unbroken packages. The other proposed permitting the sale of liquor by hotels to its guests.
California's vote

Late returns from California show that there is more than a possibility that one of the two prohibition amendments, No. 2, has been victoriously carried by the "drys."

With the count in for 2184 precincts, the vote on Amendment No. 1 stands 144,298 against to 139,575 in favor. This is for prohibition in 1918. The latest vote on Amendment No. 2 is 148,282 in favor and 125,116 against.

This was directed against the saloons as distinguished from wholesale and vineyard interests.

P. & O. Liner Reported Sunk Was Unwarned

(Associated Press by Federal Wireless)

LONDON, Eng., Nov. 8.—The "Peninsula & Oriental" liner Araba has been sunk without warning, according to a statement by the British admiralty.
Four hundred and 37 passengers, including 169 women and children, were rescued.
Another despatch says that the American-Hawaiian steamer Columbian has sent out an "S. O. S." saying that she was being shelled by a submarine.

(This is believed to be the P. & O. steamship Arabia, of 7337 tons, built in 1898, and carrying passengers and freight in the Indian trade.)

BERLIN REPORTS FIGHTS WITH VARYING RESULTS

(Associated Press by Federal Wireless)
BERLIN, Germany, Nov. 8.—The Rumanians today gained on the Tughe sector. Near Bozda pass the Teutons have recaptured their positions.
British attacks between Le Sara and Guedencourt have been broken down. South of the Somme the Germans lost the village of Pressere.

HONOR SYSTEM WORKS

(By Associated Press)
MANILA, P. I.—An experiment in criminology has been gradually attaining a brilliant success in the Philippines. It is the Iwahig colony to which long-term prisoners are sent from Bilibid, the central insular prison, as a reward for good conduct. At Iwahig, under proper supervision and guard, the prisoners manage their own community and, except for the necessity of not straying from their homes, they are free men. Their families are allowed to join them and life is made far pleasanter than it was in prison. Many of them "graduate" from Iwahig into positions of prominence and distinction in the backward communities which they call home.

CONVICT PARDONED ON PLEA OF GIRL'S FATHER FOR MILITIA

LITTLE ROCK, Ark.—Albert James, serving a two-year sentence for an offense against young girls, was pardoned by Governor George W. Hayes on condition that he enlist in the Arkansas National Guard. A statement issued by the governor says this action was taken at the request of the girl's father.

FILIPINO BLOWS OUT LIGHT AND SEGUNDO IS GIVEN TWO YEARS

It all started at a gambling game at Wahiawa. One of the players wanted to quit so he put out the light, thinking this would break up the game. Immediately after he was slashed by a knife in the hand of one Segundo, a Filipino. Segundo will spend the next two years in Oahu prison.

Segundo pleaded guilty in Judge Ashford's court this morning to assault with a dangerous weapon. The man who turned out the light was called into court and exhibited to the judge a cut under his left arm.

"This is but one more instance of the desire of the Filipino race to settle its differences with deadly weapons," remarked Judge Ashford. "We cannot tolerate it here. You Filipinos, as well as other foreigners, must live up to our forms of civilization."

The court added that the defendant might have received a stiffer sentence had he not pleaded guilty and been convicted otherwise.

WEARS UNIFORM ILLEGALLY

(By Associated Press)

LONDON, England.—A young man about 25 years of age, who gave his name as Arthur Alfred Wood of 510 Main street, Norfolk, Va., has been sentenced to three months' hard labor for illegally wearing the uniform of his majesty's forces with intent to deceive.

Wood was arrested several weeks ago in khaki in company with two other men similarly clad. All said they were absent from their regiments without leave and all were charged with being absentees. The regiments of two of the men eventually were traced, but Wood's statements conflicted and at last he admitted he was an American and had never been in the army. Then, as the London papers report it, "he was brought up on the new charge of illegally wearing his majesty's uniform."

SEEK TO SETTLE TITLE TO IRWIN ACREAGE TODAY

Expected Agreed Judgment
Would Be Entered in U. S.
Court This Afternoon

TEN SIGN WHO HAVE
CLAIMS CONTESTED

If Entered Government Will As-
sume Title and Pay \$200,-
000 Into Court

Up to 1 o'clock this afternoon 10 out of 12 persons whose claims to property in the Irwin site are contested by the W. G. Irwin Estate Co. had signed an agreed judgment to transfer their purported property to the U. S. government upon the payment by the latter of \$200,000, the maximum price the government is willing to pay for the site.

The government, by condemnation, is seeking title to the Irwin site for use as a location for Honolulu's new federal building. The case of the government against the Irwin Estate Co. was to be heard before Federal Judge Clemens at 2 o'clock this afternoon, when it was expected that the agreed judgment would be entered condemning the site to the use of the United States and fixing its value at \$200,000.

This agreed judgment, if entered, will further provide that the converse claims to the Irwin site property be determined by supplemental judgments to be hereafter entered. By the terms of the agreed judgment the title to the property in question will be vested in the United States upon the payment by the latter of \$200,000 into the registry of the court. The contests over the money paid into court instead of a contest over the title to the land.

Those claimants who have already signed the agreed judgment are "Princes" Theresa Wilcox Belliveau, Mrs. K. Keawemahi, Cecelia Meha, Emma M. Nakulua, Kealoa Akimo, Abraham K. Kihua, Kamille, Elizabeth T. Abrahamson, Emma A. De Fries, David O. K. K. Noley and Kaumaleani Lukela. Assistant U. S. Attorney S. B. Kemp expected to secure the signatures of the two remaining claimants this afternoon.

Those claimants whose interests are not disputed by the W. G. Irwin Estate Co. are William T. Raylins and wife, Mrs. Victoria Ward and the Spreckels interests.

'SUNNY JIM' IN TALK AT AD CLUB BOOSTS HONOLULU

Members of Booster Organiza-
tion Listen to Speech and
Musical Selections

"Boost for Hawaii first. Then keep on boosting," was the slogan used by "Sunny Jim" McCandless in his talk before the members of the Ad Club at the lunch today at the Alexander Young Hotel. "Practical advertising counts, and does more good than any one other thing," said McCandless.

"In my trips throughout the country I have found that advertising that is practical pays. We had an example at Seattle and San Francisco. A man by the name of Child had an exhibit in San Francisco that did more good for Hawaii than the Hawaii Promotion Committee or the Hawaii Building. That was practical advertising. He sold pineapples and made \$50,000 for himself."

"Everywhere on the mainland, the people have taken an interest in Hawaiian music, and I have heard it everywhere. In San Francisco the Great Northern held Hawaii Day, and this was a boost. In this connection I wish to say that I believe that the people of Hawaii are making a mistake by having a man as their representative in San Francisco who has only visited the islands once. This is Fred J. Halton. He is a good advertising man, but doesn't understand Hawaii and doesn't know how to talk it."

One of the features of the meeting today was the appearance of Miss Margaret Stevens, a Honolulu girl, who entertained the members with three violin selections. Miss Stevens has recently returned from her studies under Alexander Stewart in Oakland, and her rendition of "Legende" by Metcalf, was well received by the members. Two encores were given at the request of the members. Without doubt this musical feature was one of the best received in the history of the Ad Club.

How Electoral Vote Stands; Latest News

The table below gives the latest information obtainable upon the way the states went in the voting for presidential electors yesterday. Each state is put in the Republican, Democratic or doubtful column upon the best information which has come by telegraph. After each state is put the number of the electoral votes it possesses.

Ten states are in the doubtful column. Of these Hughes has what appears better than an even chance to carry four—Indiana, Minnesota, New Hampshire and West Virginia, with 39 votes—and the latest count puts him ahead in California, which has 13 more, a total of 52. Added to the 216 which he is apparently sure of, he gets 268, or two more than enough to elect. He may also carry Oregon and Montana, possible some or all of the others.

These standings are likely to be changed at any time by late news but this is the situation as it stood at 3 o'clock this afternoon in New York:

REPUBLICAN.	DEMOCRATIC.	DOUBTFUL.
Connecticut 7	Alabama 12	Arizona 3

RIVAL MANAGERS CONTINUE TO ISSUE EMPHATIC CLAIMS

(Associated Press Service by Federal Wireless)
NEW YORK, N. Y., Nov. 8.—Neither Republican nor Democratic manager is willing to concede victory to the other party as the returns come in this afternoon.

At noon Republican Chairman Wilcox declared that California and Minnesota are sure for Hughes, which means that Hughes is elected.

On the other hand Democratic Chairman McCormick said: "The finish will show that Wilson has more than 300 electoral votes."

In California at the same time Republican State Chairman Rowell claimed the state for Hughes by 6000 to 8000.

NEW YORK, N. Y., Nov. 8.—At 2:30 this afternoon Republican national headquarters claims that Minnesota, Oregon, California and New Hampshire have gone Republican and that Hughes will have 277 electoral votes, 11 more than sufficient to elect him.

SAN FRANCISCO, Calif., Nov. 8.—Chester Rowell, the Republican state chairman, early this afternoon claims that the returns show Hughes has carried the state by 6000 to 8000.

Chairman Cushing of the Democratic state committee says: "The count continues to increase the confidence that California has gone for Wilson."

Governor Johnson, running for U. S. senator on the Republican ticket, has 221,250 votes to 104,451 for George Patton, his Democratic opponent.

ST. PAUL, Minn., Nov. 8.—Early this afternoon the count for Minnesota with 1439 precincts in gives Wilson 111,173 and Hughes 103,690.

NEW YORK, N. Y., Nov. 8.—At 2:30 this afternoon the Democratic national headquarters issues the statement that the Democrats can lose California and Minnesota and still elect Wilson.

The Republicans claim Indiana. The Democrats say Indiana is uncertain.

RESULTS UP TO NOON, NEW YORK

NEW YORK, N. Y., Nov. 8.—With choice of president in an almost unprecedented status of doubt, Democratic and Republican headquarters are scenes of nervous activity and tension.

Although both sides claimed majorities in the electoral college, there appeared to be a feeling in both headquarters that final results may be prolonged owing to the doubtful states.

NEW YORK, N. Y., Nov. 8.—It is rumored here that on account of the sensational closeness of the presidential fight a decision will eventually be thrown to the house of representatives.

Actual returns, considering the definite and indicative figures which experts count on, give Wilson 232 electoral votes and Hughes 212.

The result appears to depend principally on California, Minnesota, Oregon and Indiana.

SAN FRANCISCO, Calif., Nov. 8.—In California 3091 precincts give Hughes 246,182 and Wilson 237,586.

INDIANAPOLIS, Ind., Nov. 8.—Republicans claim Indiana for Hughes by 25,000.

SALT LAKE CITY, Utah, Nov. 8.—It is estimated that Wilson has carried Utah by 15,000.

KANSAS CITY, Kan., Nov. 8.—The Kansas City Star, a Hughes supporter, conceded Kansas to Wilson. He leads in total returns by about 13,000.

HUGHES LEADS IN CALIFORNIA, INDIANA; WILSON IN MINNESOTA

(Associated Press Service by Federal Wireless)

SAN FRANCISCO, Cal., Nov. 8.—At 2 o'clock this afternoon Hughes leads in California but late returns have cut his majority down from 9000 to 2500. The count in 3712 precincts gives Hughes 284,000 and Wilson 282,361.

INDIANAPOLIS, Ind., Nov. 8.—The count in 2424 Indiana precincts gives Hughes a lead of more than 10,000. The standing is Hughes 276,234 and Wilson 265,696. Republicans claim the state for Hughes by 25,000.

ST. PAUL, Minn., Nov. 8.—Nine hundred and forty-five precincts in the count to date give Wilson a substantial majority over Hughes; the totals being 83,470 for Wilson and 74,028 for Hughes. An earlier count in 724 precincts gave Wilson 73,443 and Hughes 63,058.

SIOUX FALLS, South Dakota, Nov. 8.—The estimated Hughes plurality in the state is 15,000 votes. Suffrage appears to have carried.

CINCINNATI, O., Nov. 8.—At noon today the count in 4436 precincts of the state shows Wilson far in the lead with 454,323 votes to 386,032 for Hughes.

SOME CALIFORNIA COUNTS

LOS ANGELES, Cal., Nov. 8.—One hundred and thirty precincts complete give Hughes 11,733 and Wilson 10,743.

SAN FRANCISCO, Cal., Nov. 8.—The figures in 3414 precincts at 11 today showed 262,946 for Hughes and 252,993 for Wilson.

PORTLAND, Oregon, Nov. 8.—Early this afternoon both parties were claiming Oregon.

CHARLESTON, West Virginia, Nov. 8.—Seven hundred and twenty precincts in West Virginia give Hughes 60,905 and Wilson 58,352.

HUGHES CARRIES NEW YORK

At 2 o'clock the New York state count was in shape to assure that Hughes had carried the state with its 45 electoral votes by a majority of approximately 100,000. This count was with only 326 districts missing and also assured the reelection of Governor Whitman, Republican.

Sioux Falls followed these figures with the news that South Dakota gave Hughes a majority of 12,000 votes, elected at least two Republican congressmen and the entire state Republican ticket.

Latest returns from Missouri failed to remove the doubt created there by a close vote. With 1481 precincts reported out of 3459, Wilson's lead was reduced to 7600.

Washington reported a more definite count that gave Wilson 48,763 and Hughes 33,292 in a tally of 520 precincts out of 2385. West Virginia reported Hughes leading.

NEW JERSEY FOR HUGHES

New Jersey, with 136 districts out of 1893 completed, gave Hughes 5846 and Wilson 5019. Kansas gave Wilson 65,614 and Hughes 63,828 by the midnight count. Indications in Colorado were that Wilson carried the state by 15,000. Wilson's plurality in Oklahoma was estimated at 40,000. The count in Indiana was doubtful. In North Dakota Hughes apparently led by 10,000. The Democrats of Michigan practically conceded that they had lost the state. Wilson was gaining in Missouri at midnight and was in the lead in Arizona. The states claimed by the Republicans on these figures totaled 284 electoral votes.

With the count one-third completed in Colorado, the vote stood: Wilson 36,853, Hughes 24,006. Ohio's count also one-third complete gave Wilson 176,923 and Hughes 157,794. Pennsylvania was believed to have gone Republican at this hour by a vote of 200,000.

JAPANESE WANT HUGHES WOMEN GAINED HALF THEY WENT OUT FOR

(Special Cable to Hawaii Ship)
TOKIO, Japan, Nov. 8.—The Japanese government and the people are watching the result of the presidential election of the United States with much interest. The Japanese believe that there will be no particular change in Japanese-American relationship unless a new president is elected, and that it will remain the same under Wilson.

DEMOCRATIC CANDIDATE LEADING IN COLORADO

(Associated Press by Federal Wireless)
DENVER, Colo., Nov. 8.—Julius C. Gunter, Democratic candidate for governor, was leading Governor George A. Carlson, Republican, by incomplete returns tabulated at midnight last night.
